Mipolam Elegance EL5  
SPM Decochoc wall  
protection panels, corner  
guards, door and frame  
protection  
SPM Escort handrails

AREA  
3600 sqm

Comfort and enjoyment have both gone up a notch with the extensive installation of Gerflor floor, wall vinyl and SPM wall protection at the Waratah Village Aged Care facility in West Wyalong, NSW.

According to Interior Designer, Catriona Roach of Havenhand & Mather Architects "acres of Gerflor product" has been used in the major redevelopment and there's more to come with further upgrades on the horizon.

"The client often drives the type of flooring that they want and on this occasion this was definitely a vinyl job. I suggested that they look at the Gerflor cushioned range as I felt Gerflor has one of the better products on the market. It has a good decibel rating and also a lot of great colours," Catriona said.

In addition to a range of Gerflor flooring, extensive use has also been made of Gerflor wall vinyl, door and wall protection and SPM handrails.
